Dubai World Trade Centre

Part of  MIDDLE EAST  
DESIGN &  
HOSPITALITY  
WEEK 2019

Successfully launched last year, FIM is the only exhibition in the Middle East dedicated to interiors, components, fittings and materials, which will attract buyers on the lookout for products that cater to every stage of the furniture manufacturing supply chain.

From component and machinery manufacturers who service the furniture industry, to the designers, producers and retailers of finished products, this exhibition represents products, technologies and trends involved in the creation of interiors. With positive growth in all markets for the interiors and fit-out sector whether retail, residential, hospitality or commercial, exhibiting at FIM is the perfect avenue for you to take advantage of this expanding segment.

## CELEBRATING DESIGN

FIM is proud to be part of Middle East Design and Hospitality week 2019, the biggest and most important celebration of all things Design and Hospitality in the GCC. With over 50 years of show heritage and seven co-located events across three days, MEDHW will see 1000s more exhibitors, 50,000+ visitors and more inspiration and creativity.
