Network. Build. XL.

Empowering the construction industry in Saudi Arabia.

2.19

For more than a decade, Big 5 Construct Saudi has been an absolute game-changer, demonstrating the nation's increasing attractiveness in the world of construction. It has been a powerhouse, bringing together top-notch businesses in the industry to support the ambitious Vision 2030 goals of the Kingdom.

The construction industry is a driving force behind the nation's economic growth, and Big 5 Construct Saudi serves as the ultimate platform propelling the industry to new heights. The event is now the largest construction event in Saudi Arabia, smashing all previous records by doubling the show size, visitors, and exhibitors in 2023. The numbers are staggering, with over \$1.12 billion in business generated between the exhibitors and visitors.

With its focus on innovation and cutting-edge technologies, Big 5 Construct Saudi is a key platform for exploring groundbreaking opportunities that can transform the future of the industry.

2023 official VIP opening

The Big 5 Saudi constitutes an opportunity to reshape the modern construction industry and involve new technology towards the implementation of the 4th Industrial Revolution. This will play a crucial role to keep up with transformation and opening new opportunities for investment in the industry and domestic resources, as well as enhancing the position of Saudi Arabia in the industrial sector.

Exhibitor insights & ratings

8.19

Reasons for exhibiting:

Achievement of exhibitor objectives

Attended by key industry stakeholders from Saudi Arabia

9.19

For Diriyah Gate, Big 5 Construct Saudi is important to attend. As a large-scale company, we have to engage directly with the supply chain, whether it be large contractors, suppliers, or distributors; Big 5 Construct Saudi plays a pivotal role in that engagement.
