WHERE AMBITION MEETS ACTION AND WHERE INNOVATION MEETS INVESTMENT

The event brings together the full infrastructure value chain including thousands of industry professionals and leading companies to connect and do business.

Saudi Infrastructure Expo is the only event in the Kingdom that covers the full spectrum of infrastructure from urban connectivity and water to smart technology and utilities.

Exhibit from 24 - 26 September 2024 to meet your sales objectives by reaching key customers ready to do business in Saudi Arabia.

“

This is an excellent, targeted opportunity for us to meet with the key players in the market, government officials, partners, suppliers, customers and potential clients.

Mohammed Alhajjaj
CEO
Engie, Saudi Arabia

ENGIE

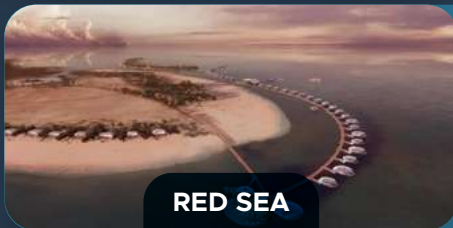

KEY GIGA PROJECTS: SAUDI ARABIA'S \$300 BILLION INFRASTRUCTURE MARKET IS ACTIVELY SEEKING YOUR PRODUCTS, SERVICES AND SOLUTIONS

With an abundance of large-scale projects spanning across the nation's diverse regions, you're stepping into a market poised for significant expansion.

NEOM

NEOM is a futuristic, planned cross-border city and economic zone in the northwest of Saudi Arabia, envisioned to be a hub for innovation, technology and sustainable living. With ambitious goals, NEOM aims to become a leading global center for various industries, including renewable energy, biotechnology and tourism.

RED SEA

The Red Sea Project is a visionary tourism development along the Red Sea coast of Saudi Arabia, aiming to create a luxury destination featuring pristine beaches, vibrant coral reefs and diverse marine life. Designed to enhance sustainable tourism, the project seeks to balance environmental conservation with the creation of high-end resorts and leisure facilities.

QIDDIYA

Qiddiya is a massive entertainment and leisure project under development in Saudi Arabia, located near Riyadh. Envisioned as a cultural, recreational and sports destination, Qiddiya aims to offer a diverse range of attractions, including theme parks, sports facilities and entertainment venues.

ROSHN

A national real estate developer powered by the Public Investment Fund, ROSHN provides aspirational living, presenting a complete city experience in communities boasting unique designs and best-in-class facilities. ROSHN is committed to achieving the Vision 2030 goal of 70% home ownership in the Kingdom.

DIRIYAH

The Diriyah project is a Saudi Arabian initiative focused on the restoration and development of the historic city of Diriyah, a UNESCO World Heritage site. This ambitious project aims to transform Diriyah into a cultural and tourism destination, preserving its historical significance while incorporating modern amenities and infrastructure.

RIYADH EXPO 2030

Saudi Arabia recently won the bid to host Expo 2030 in Riyadh. This marks a significant milestone for the nation, realizing job creation, economic diversification, delivering tangible economic impact and business opportunities for those in infrastructure as this sector is imperative to the successful execution of Riyadh Expo 2030.

EXHIBITOR TESTIMONIAL

“

As we are an A class company in infrastructure, we were very interested to be here and have a platinum partnership. SAPAC is supporting Saudi Arabia by having partnerships with PIF companies and doing infrastructure for ROSHN.

Mohammed Abdulgadir
Head of Business Development
SAPAC

Saudi Contractors Authority

ATTRACTING SENIOR PROFESSIONAL STAKEHOLDERS WHO ARE AT THE FOREFRONT OF INFRASTRUCTURE SO EXHIBITORS CAN NETWORK WITH THE RIGHT AUDIENCE.

The Saudi Infrastructure Summit organized by dmg events and the Saudi Contractors Authority brings senior private and public sector stakeholders together to collaborate and deep dive into the challenges and opportunities facing the Kingdom's infrastructure evolution. These inspiring conversations, debates and immersive learning experiences support the government's ambitious Saudi Vision 2030 targets to attract 100 million annual visitors to the country by 2030 and provide its citizens with cities of the future.
